Is there any cheaper way to make sales than by advertising?

If so, the people who pay for advertising today would like to know what it is.

After all, they are experts at bringing down costs. And that's what brings down prices.

The best proof that advertising is the cheapest way to find customers isso many people use it successfully.

ne considerable progress of the past fifteen years. During the past five years for example, our insurance in force has in-

creased 79% to \$102,650,505. Assets and policyowners' reserves have more than doubled. Surplus to policyowners has increased by 84%. Last year alone, insurance in force increased by 16% and gains in assets, surplus and reserves were likewise substantial. With assets in most excellent condition, and with ample safety margins, our company is splendidly prepared to meet demands of

the war period and to serve as a sound, the victory has been won. Frauk P. Hamford

BARSON! After all, it's the examination that counts. Correct, scienexamination of your eyes is the ONLY way to determine

whether or not you need glasses,
My knowledge in fitting glasses, gained through years of
practice, has given me a State-wide reputation. Among your
relatives and acquaintances you will find somebody who will
tell you how satisfactory my work is.

Because I specialize in this work only—scientific examination and proper fitting of glasses—you are assured of complete satisfaction.
